Data Research Pool: www.Hampp-Verlag.de

Six journals - one search engine: The online-archive allows for searching in full-text databases covering six journals:

- **International Journal of Action Research,** beginning 2005
- **Industrielle Beziehungen – The German Journal of Industrial Relations,** beginning in 1998
- **Journal for East European Management Studies,** beginning in 1998
- **management revue – The International Review of Management Studies,** beginning in 2004
- **Zeitschrift für Personalforschung – German Journal of Research in Human Resource Management,** beginning in 1998
- **Zeitschrift für Wirtschafts- und Unternehmensethik – Journal for Business, Economics & Ethics,** beginning in 1998

Free research: Research is free. You have free access to all hits to your search. The hitlist shows the relevant articles corresponding to your search. In addition, the list references the articles found in detail (journal, volume etc.).

Browse or download articles via **GENIOS**: If you want to have access to the full-text article, our online-partner **GENIOS** will raise a fee of 10.- Euro. If you are registered as a "**GENIOS**-Professional Customer" you may pay via credit card or invoice.
